

Château Bellevue Peycharneau 2016 AOC Sainte-Foy Bordeaux

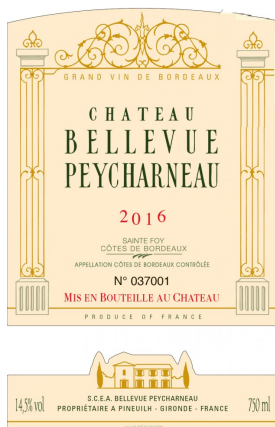

**Best Value Bordeaux in
the USA!**

JAMESUCKLING.COM

90 Points. Thanks to the hint of green bell-pepper and relatively sleek body, you could almost mistake this for a Médoc red. But there's nice fleshiness and a touch of savory character on the palate that make this a flexible food-wine. A blend of merlot and cabernet.

**65% Merlot, 25% Cabernet Sauvignon,
10% Cabernet Franc.**
