LE FOU DE MALIJAY 2021

IGP Méditerrannée

~ Background ~

Château Malijay is a wine estate located in the town of Jonquières between the vineyards of Châteauneuf-du-Pape and Gigondas, in the southern area of the Côtes du Rhône and Côtes du Rhône Villages Plan de Dieu. Since the 16th century, wine has always been present in Malijay. Its castle has existed since the 13th century and was rebuilt in its current version in the 18th century. A place full of charm, in the heart of our vineyards with a breathtaking view of the Dentelles de Montmirail and Mont Ventoux. The purchase of Château Malijay by the Deltin family in 2007 marks an important turning point in the history of the estate: it is indeed thanks to the perseverance and hard work of a father, Pierre Deltin, and his daughter Aude, that the potential of the vines could be optimally exploited. Since January 16, 2020, Château Malijay has been certified High Environmental Value.

~ Viticulture ~

- 1 plot of 140 hectares planted on clay and limestone soil with pebbles.
- Mechanical harvesting.
- Yield of 50hl per hectare.
- The soil is worked in the most natural way possible, the estate obtained the High Environmental Value certification in 2019.

Aude Deltin - Owner & Winemaker

CHÂTEAU MALIJAY

~ Tasting Notes ~

Blend: 50% Grenache, 40% Syrah & 10% Mourvèdre

This Vin de Pays de Vaucluse Principauté d'Orange is made from grapes sourced in the southern Rhône Valley and Jonquières. A blend Grenache, Syrah and Mourvèdre. Le Fou de Malijay is a delightful wine. This fresh rosé with a pale color and citrus notes will be the ideal companion for your meals.

The nose is fruity, lively, with peach and pear aromas.

Serving temperature: 12°C - 54°F

~ Pairing ~

As an aperitif with grilled meats, with salads, melon or grilled vegetables.
