LE PETIT PRINCE DE MALIJAY 2021

IGP Vaucluse

~ Background ~

Château Malijay is a wine estate located in the town of Jonquières between the vineyards of Châteauneuf-du-Pape and Gigondas, in the southern area of the Côtes du Rhône and Côtes du Rhône Villages Plan de Dieu. Since the 16th century, wine has always been present in Malijay. Its castle has existed since the 13th century and was rebuilt in its current version in the 18th century. A place full of charm, in the heart of our vineyards with a breathtaking view of the Dentelles de Montmirail and Mont Ventoux. The purchase of Château Malijay by the Deltin family in 2007 marks an important turning point in the history of the estate: it is indeed thanks to the perseverance and hard work of a father, Pierre Deltin, and his daughter Aude, that the potential of the vines could be optimally exploited.
Since January 16, 2020, Château Malijay has been certified High Environmental Value.
